From the Directors

Over the past year, children and young people around the world have continued to face tremendous challenges. Despite this, we have continued to be inspired by the resilience and determination shown by the communities we work with.

International Christian Aid Relief Enterprise (ICare) was founded by a group of passionate people who envisioned positive change for women, children and youth living in poverty in some of the poorest countries in the world. They decided to focus on improving access to education.

ICare has worked collaboratively with partner organisations in many countries, building strong relationships and positively impacting the lives of the children and young people we work with.

In Papua New Guinea (PNG), the Together for Education program has been delivered across 307 elementary schools, 726 teachers received training and support, and 25,000 printed reading books since 2019.

More recently, we have supported children to safely return to the classroom after extended COVID-19 lockdowns and online learning. We continued to strengthen partnerships with civil society organisations, teachers, parents, and schools. By creating a strong community network, we can better support children and young people to access an education – and be excited about learning.

With the completion of the Together for Education program in Papua New Guinea, the ICARE Board has made the decision to voluntarily dissolve ICARE in 2023. Remaining available funds will be directed to future education programs in PNG. Upon dissolution, any surplus assets of ICARE will be transferred to an overseas aid fund in accordance with the company's Constitution.

We would like to thank you as an ICARE supporter for your incredibly generous support through the years and for giving children in PNG a better start to their education and expand their future opportunities.

ChildFund will continue to work in partnership with communities across Papua New Guinea and continue the legacy of ICARE to invest in initiatives that address the numerous challenges that we face today: poverty, gender inequality, climate change, and violence.

Because of our work together, more children living in Papua New Guinea and around the world have a chance at a brighter future.

Notes to the financial statements

Year Ended 30 June 2022

1. Summary of Significant Accounting Policies

This financial report is a general-purpose financial report, which has been prepared in accordance with Australian Accounting Standards – Simplified Disclosures made by the Australian Accounting Standards Board (including Australian Interpretations) adopted by the Australian Accounting Standards Board (AASB), ACNC and the ACFID Code of Conduct Guidance.

The Board of Directors has determined that the company is not a reporting entity.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation these financial statements except if mentioned in Note 1.

(a) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortized over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(b) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(c) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(d) Provisions

Provisions are recognized when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reasonably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

INTERNATIONAL CHRISTIAN AID RELIEF ENTERPRISES LIMITED
ABN 16 002 516 485

Notes to the financial statements

Year Ended 30 June 2022

(f) Revenue and Other Income

Revenue from sponsorship, gift remittances and other donations are recognized in the statement of comprehensive income as revenue when the Group gains control of the donation under AASB 1058.

Grants from Government, multilateral and non-governmental organisations are recognized as revenue when (or as) they are expended on programs and the performance obligations are satisfied under AASB 15.

Interest revenue is recognized using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognized when the right to receive a dividend has been established.

All revenue is stated net of the amount of goods and services tax (GST).

(g) Goods and Services Tax (GST)

Revenues, expenses, and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognized as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(h) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognized as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(i) Taxation

The company is a public benevolent institution and has received the tax concessions which are GST concession, FBT exemption, Income Tax exemption and Deductible Gift Recipient Status.
